

How to view your certificate of completion

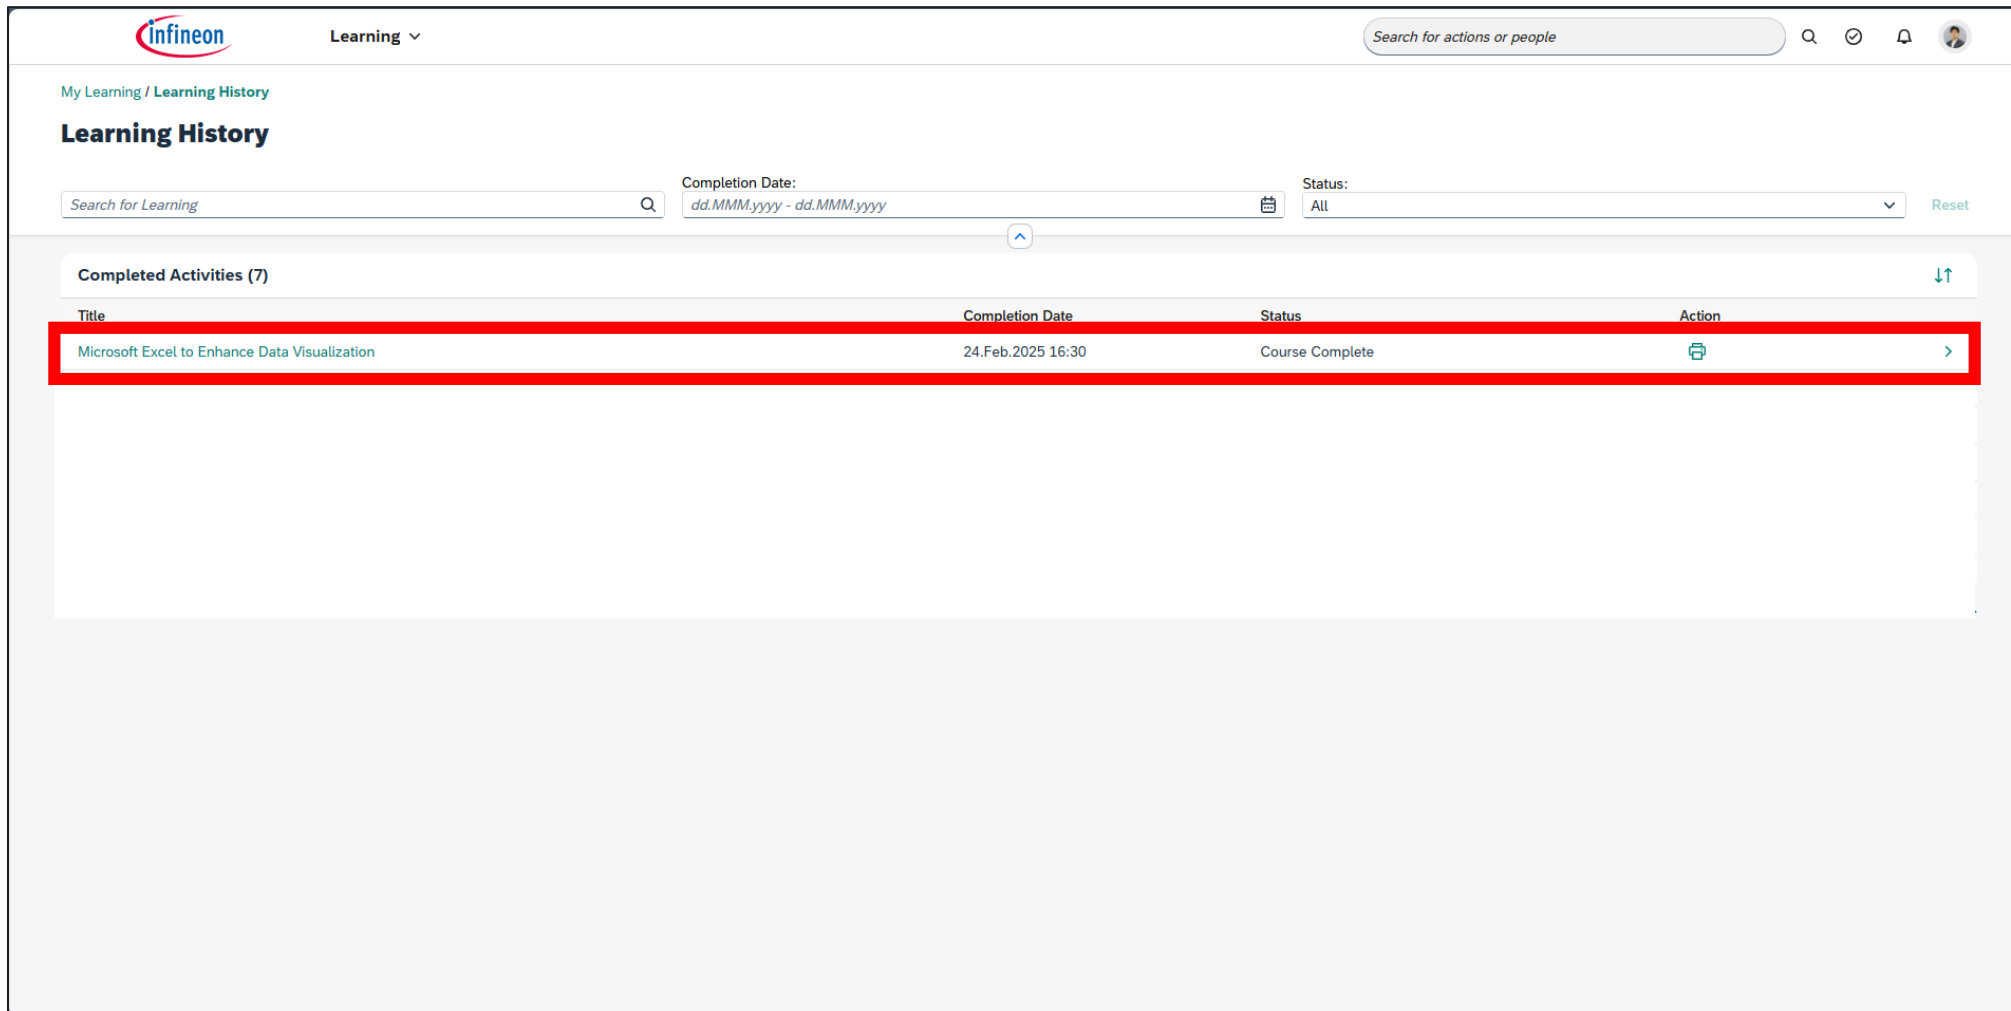

1. Go to SuccessFactor or click on [this link](#) and click view all on “Learning History”

The screenshot displays the Infineon Learning portal. At the top, there is a navigation bar with the Infineon logo, a 'Learning' dropdown menu, and a search bar labeled 'Search for actions or people'. Below the navigation bar, the 'My Learning' section is visible. On the left, there is a 'Find Learning' search bar and a 'My Learning Assignments' section showing a course titled 'Feedback Instructor led course' due on 01.APR.2025. The main content area is divided into two columns. The left column shows the 'My Learning Assignments' section, and the right column shows the 'Learning History' section. The 'Learning History' section is highlighted with a red box and contains a 'View All' button and a list of 'Most Recently Added' courses, including 'Microsoft Excel to Enhance Data...' with a green checkmark. Below the 'Learning History' section, there is a 'Help & Tutorials' section with links to 'View online trainings guide' for Infineon users and distributors, and 'Quick Reference Guides for Learning Users' including 'Employee guide', 'Manager guide', and 'Instructor guide'.

How to view your certificate of completion

- This is your learning history will look like and the Excel training certificate of completion can be viewed by clicking on “” button.

The screenshot displays the Infineon Learning History interface. At the top, there is a search bar and a dropdown menu for 'Learning'. Below this, the 'Learning History' section is visible, featuring a search bar and filters for 'Completion Date' and 'Status'. A table titled 'Completed Activities (7)' lists the activities. The first row, 'Microsoft Excel to Enhance Data Visualization', is highlighted with a red border. The 'Action' column for this row contains a print icon, which is also highlighted with a red border.

Title	Completion Date	Status	Action
Microsoft Excel to Enhance Data Visualization	24.Feb.2025 16:30	Course Complete
